Subject: PAC Contributions and Auction Items

Date: January 7, 2016

The 111th AFR State Convention is scheduled for February 19th and 20th. A very important part of our convention is the AFR's legislative work at the state and national level. The PAC is our only way to provide contributions to candidates and legislators that support AFR's efforts and ideas. This support does not consider which side of the aisle the representative or senator sets on, but how they help and support AFR policy.

The contribution laws require all items offered to the PAC must be by individuals. We encourage each of you to donate an item that can be auctioned for the PAC. The auction always provides some great entertainment for all who attend.

As we see more new faces at the State Capitol and those that have supported AFR's efforts over the years, it is very important that we show our support to them in a bipartisan way.

New this year, we will have a special recognition catalog to items and contributors. If you would like your contribution included in the catalog please return the PAC donation form by Monday, February 8, 2016.

Your donated auction items or cash contribution should be brought to Boomer A Room across from the registration area at convention. If you have any questions, please contact Megan Albright at 405.218.5416 or megan.albright@afrmic.com.
